Dear EPA Officials:

The New Bedford City Council, acting on a motion introduced by Ward Two City Councillor Paul Koczera and City Councillor at Large/State Representative George Rogers, at the City Council Meeting of February 28, 2002, and signed by Mayor Frederick M. Kalisz, Jr., on March 08, 2002, voted "that the City Council endorse the EPA's change in its Record of Decision in the cleaning up and disposal of PCBs from the River, especially the change affecting the C.D.F.D., which will call for Off-side disposal."

The Council strongly agrees with the EPA and believes that the change in decision will not only favorably impact the cleanup process, but also be advantageous to our City and its Harbor Redevelopment Plan as well as the EPA with regard to cost savings and scheduling.

Once again, the City endorses your change to the Harbor Cleanup Plan and thanks the EPA for its foresight.

Yours truly,

Janice A. Davidian, City Clerk
Clerk of the City Council
